

## Systems-Centered® Training York UK

8/9-13 September 2024

Starts Monday 8.30 Ends Friday 13.15 (Sunday 14.00-17.00 Intermediate Skills ONLY)

Priory Street Centre, 15 Priory Street, York YO1 6ET

Five training tracks to choose from

For those new and curious about SCT®, as well as those with previous SCT experience.		
<p style="text-align: center;"><b>Foundation</b> <i>Ray Haddock &amp; Lotte Paans</i></p> <p>The group will learn about the fundamentals of SCT theory, practise skills and work as an experiential group.</p> <p>Please assess yourself to ensure this is a good time for you to participate in an experiential training.</p> <p>We will use functional subgrouping to explore differences instead of reacting to or scapegoating them.</p>	<p style="text-align: center;"><b>Making Work Roles Work (for us and our organisations)</b> <i>Rowena Davis with Janneke Maas</i></p> <p>This interactive, experiential workshop is for people wanting to explore their energy and goals for their work roles, learn how system dynamics affect us all and how we can influence them. We'll use SCT theory and methods to develop our workshop system and practise applying SCT in outside work contexts.</p> <p>This workshop changes every time, so if you've been before, you'll have a new experience.</p>	
For members of SCTRI who have met prior training goals in SCT		
<p><i>You have met the learning goals for foundation training</i></p>	<p><i>You have completed Intermediate Skills or beyond</i></p>	
<p style="text-align: center;"><b>Intermediate Skills Training</b></p> <p><i>Juliet Koprowska with Ros Wood</i></p> <p>In this intensive training we'll deepen our understanding of the Theory of Living Human Systems that underpins the SCT protocols, and practise applying them with others. The training includes videotaped skills practice and review.</p> <p><b>By application only.</b> Contact Juliet Koprowska <a href="mailto:juliet.koprowska@sctuk.org">juliet.koprowska@sctuk.org</a> for an application form.</p> <p>Applications due by <b>30 June 2024</b></p>	<p style="text-align: center;"><b>Leadership Development Training</b> <i>Annie MacIver with Patricia Aerts</i></p> <p>Curious about leadership from an SCT perspective? Learn to see, understand and influence what is happening in systems so they more effectively meet their goals. You will bring leadership challenges from your work contexts. We'll use the Theory of Living Human Systems and SCT methods to formulate hypotheses, plan and implement leadership interventions and test the impact.</p> <p><b>Questions or curiosities?</b> Contact Annie MacIver <a href="mailto:Annie.maciver2@icloud.com">Annie.maciver2@icloud.com</a> or Patricia Aerts. <a href="mailto:patricia@top-teamwork.nl">patricia@top-teamwork.nl</a></p>	<p style="text-align: center;"><b>Container Training (in Foundation group)</b> <i>Ray Haddock &amp; Lotte Paans with Annick Nevejan</i></p> <p>Work as a container to contribute to the group's development by using your experience while being aware of the phase of development of the group. You will work in the Foundation group, exploring containing and using your own experience to support the work of the group. With your trainer you'll reflect on your contributions in relation to the phase of group development. <b>Before registering</b>, contact Annick Nevejan <a href="mailto:anevejan@xs4all.nl">anevejan@xs4all.nl</a> and Ray Haddock <a href="mailto:rayhad@doctors.org.uk">rayhad@doctors.org.uk</a></p> <p>Applications due by <b>7<sup>th</sup> July 2024</b></p>
