

Systems-Centered® Training York, UK 13/14-18 September 2026

Priory Street Centre, 15 Priory Street, York YO1 6ET

Four training tracks to choose from

| <i>For those new and curious about SCT®, as well as those with previous SCT experience</i> | |
|--|---|
| <p style="text-align: center;">Foundation <i>Ray Haddock & Lotte Paans</i></p> <p>The group will learn about the fundamentals of SCT theory, practise skills and work as an experiential group.</p> <p>Please assess yourself to ensure this is a good time for you to participate in an experiential training.</p> <p>We'll use functional subgrouping to explore differences instead of reacting to or scapegoating them.</p> | <p style="text-align: center;">Making Work Roles Work (for us and our organisations) <i>Rowena Davis with Janneke Maas</i></p> <p>This interactive, experiential workshop evolves each year, offering fresh insights for those curious to explore their energy and goals for their work roles. Using Systems-Centered theory and methods, we'll deepen our understanding of how system dynamics affect us all and how we can influence them. Participants will work on their own real-world cases.</p> |
| <i>For members of SCTRI who have met prior training goals in SCT</i> | |
| BY APPLICATION ONLY | |
| <p style="text-align: center;"><i>You have met the learning goals for Foundation training</i></p> <p style="text-align: center;">Intermediate Skills Training <i>Erika Ekedal & Madeline O'Carroll</i></p> <p>In this intensive training we'll deepen our understanding of a Theory of Living Human Systems that underpins the SCT protocols, and practise applying them with others. The training includes videotaped skills practice and review.</p> <p style="text-align: center;">Before registering, contact erika.ekedal@gmail.com for an application form.</p> <p style="text-align: center;">Applications due by 29 June 2026</p> | <p style="text-align: center;"><i>You have completed Intermediate Skills or beyond</i></p> <p style="text-align: center;">Intermediate Leadership Development / Mentor Training <i>Annie MacIver with Patricia Aerts</i></p> <p>Builds on learning from Intermediate Skills Training, enhances the capacity to contextualise and take up one's functional role. Increases understanding of the Person-as-a-System map, identifying driving and restraining forces in taking up leadership and followership mentor roles. Begins the process of assessing readiness to join the next Authority Issue Group.</p> <p style="text-align: center;">Before registering, contact annie.maciver2@icloud.com</p> <p style="text-align: center;">Applications due by 29 June 2026</p> |
